Salute to West End clubwomen

Once again, The Daily Report is paying tribute today to the women's organizations of the West End who share so much of members' time and talent to help others in the community.

This is the 14th annual "Salute to West End Women" to be published by The Daily Report in honor of these groups. The section lists in detail their accomplishments and contributions.

The 7,245 women involved in the 78 clubs represented here have brought benefits to their communities through direct service, financial support, encouragement, sponsorship and caring.

Accomplishments cover the gamut from health programs to cultural enrichment, from youth scholarships to civic projects and from support of local churches to educational forums.

Health programs receiving support from local clubwomen include the following: Paramedics, Health Fairs, cerebral palsy, American Heart Fund, Visiting Nurse Associa-

tion, City of Hope, Treasure Chest of the American Cancer Society, March of Dimes, American National Red Cross, Tel-Med information service, San Antonio Community Hospital Dental Center, Ontario-Pomona Association for Retarded Citizens, Veterans Administration Hospital, Cystic Fibrosis and a multitude of services to local hospitals and patients such as help for patients and visitors and money donated for equipment.

The handicapped people of the community also were helped through such efforts as sponsorship at the Special Olympics, work for the Transcribers Guild as well as other help for the visually handicapped and the annual Walk for the Handicapped with proceeds going to programs that help the developmentally disabled.

Concern for the elderly is expressed through projects such as Meals on Wheels, Phone Alert League, the Nutrition Centers and direct help such as offering them transportation to appointments and for shop-

ping and visiting convalescent homes and other shut-ins.

The culture of the West End is enriched through fund raising for the West End Opera Association and education efforts in that direction as well as by exhibits of art work in public buildings and other locations.

Youths are assisted locally by the Girls Club of Cucamonga, the West End Boys Clubs, scholarships and camperships, on-campus high school clubs, Head Start, Day Care, visual aids for schools, storytimes, essay contests, Girls State and support of sports such as Little League and soccer teams.

As civic projects, clubwomen have compiled local historical accounts, developed resource lists, helped sponsor civic center dedications, registered voters, served on community action committees, helped the local libraries and chambers of commerce and given financial assistance to Friends Outside, House of Ruth, Crossroads and many others.

On the educational level, can-

didates' forums and public programs on controversial issues have been sponsored by local organizations. Other educational efforts have included: showing films to schools, speaking on ballot measures, holding energy workshops, promoting abstinence in drugs, working for passage of the Equal Rights Amendment, honoring women for their achievements in their professional fields and as volunteers and elevation the standards of business and the professions.

Join us in honoring these giving and caring community supporters not just today but everyday for all of their efforts. Read of their accomplishments in these pages and join The Daily Report in paying tribute to them.

This year's winners are:

Soroptimists capture first place

By LINDA BERGSTEDT
Panorama Editor

Because of their strenuous efforts in community service — especially for paramedics — members of the Soroptimist International of Ontario have been selected winners of The Daily Report's ninth annual "Women's Service Award."

The 53 members of this professional classified service club spent 7,657 hours in community service plus another 3,955 hours on fund-raising activities bringing a total of 11,395 for the 1979-80 year. The Soroptimists also won in 1977 and 1978.

Placing second in the community service competition was the Rancho Cucamonga Woman's Club with the 84 members giving 13,175 hours in volunteer service and contributing \$1,286.18 in financial donations.

In third place was the Montclair Vista Woman's Club, a service organization of 21 women who gave 3,895 hours in community service and another 4,037 in ways and means.

Judges for the annual competition are presidents of chambers of commerce from Upland, Montclair, Rancho Cucamonga, Chino and Ontario.

Asked to be judges this year were: Dr. William Domb of Upland, Don Crawford of Montclair, Don Hardy of Rancho Cucamonga, Herb Stampfl of Chino and Ted Dutton of Ontario.

Paramedics were the focus of

service undertaken by Soroptimist International of Ontario.

"We not only kept up on Ontario Firefighter Paramedics such as funding, community interest, retraining of new paramedics and promotion of others," a club spokeswoman said. "But we put a great deal of effort into Upland Firefighters Paramedic proposal."

Club members attended city council meetings, met with council members, attorneys and supported fund raisers and helped to hold an election to prove community interest in paramedics.

The group also donated or earmarked \$16,015.55 in funds to community service projects, including an allocation to the Upland Firefighters Paramedic program of \$12,800.

Other community health programs receiving volunteer time from Soroptimists include the health fair, the Special Olympics Walk-a-Thon, Heart Fund, West End United Way and Reach Out West End.

Projects undertaken by the group for the elderly included Meals on Wheels, Community Action/Housing, the "Second Horizon Party" and Phone Alert League.

As youth projects, the local club sponsors three high school "S" Clubs — at ALta Loma, Chaffey and Upland high schools; assists Santa Claus Inc.; supports Salvation Army and Girl Scout Camperships; members serve on school boards;

and the group helps the Chaffey Communities Cultural Center Museum and the Special Olympics.

Soroptimist Youth Citizenship Awards also are given each year to outstanding senior high school students.

In cooperation with other community groups, Soroptimists man the Treasure Chest thrift shop one day a month and help with fund raising for the American Cancer Society, West End Branch; man the Salvation Army Christmas kettles and help with the basket selection; work as hospital volunteers and in rest homes; support the West End Family Counseling Service; participate in city government at different levels; and are school volunteers.

Barbara Gorman has led the Soroptimists in all these award-winning activities during the 1979-80 year. Serving with her have been: Susan Wolfe, vice president; Ruth Wilson, secretary; Joan Shupe, treasurer; and Shirley Patrick, publicity chairman.

To raise funds to support these community services, the Soroptimist International of Ontario has various special events throughout the club year. These include champagne brunches in December and in the spring, an art auction, participating in the Montclair Plaza Charity Bazaar and the annual pecan sale.

During the past club year, the local group hosted the 1980 spring conference for Soroptimists from

Barbara Gorman

Golden West Region.

In the current club year, the Soroptimists hope to be able to "wrap up major project donation for Upland Fire Department Community Paramedics"; continue to support the "S" Clubs and to save newspapers and contribute to community camperships; as well as continuing support of the Treasure Chest, the Phone Alert League, Salvation Army and Santa Claus Inc.

"We will continue to support with hours as well as money many community need areas," Mrs. Patrick said.

Three of the active members of Soroptimist International of Ontario, the "Women's Service Award" winners, are, left to right, Lucille Wheeler, Ruth Wallace and Barbara Gorman, 1979-80 president. The women were planning for the Golden West Region, Soroptimist International of the Americas Inc., held at Griswold's, Claremont, during April. The local club hosted the highly successful two-day event attended by over 300 Soroptimists from New Mexico, Arizona, California and El Paso, Texas.

Coming in second:

R.C. women serve communities

Diverse projects throughout the community found the 84 members of the Rancho Cucamonga Woman's Club spending 13,175 in volunteer work during the 1979-80 club year.

Work for youth of the area included helping handicapped children, assisting school teachers with a visual aid program, helping the West End Boys Clubs, making quilts for Santa Claus Inc., helping out at the local library as volunteers and offering the clubhouse — Sweeten Hall — once a week to the Boy Scouts, monthly to a teen-age church group and often to the Head Start and Day Care programs.

Three \$100 scholarships were awarded in the past year, one to an Alta Loma High School student and two to Chaffey College students.

On an historical vein, club members did research on the history of Alta Loma, did another history on a local church, selected historical places and wrote brief articles on them and were active in the restoration of the Casa de Rancho Cucamonga, the Rains' House.

Other community activities include staffing the Gift Shop at San Antonio Community Hospital three days a month as well as manning the information desk at the same hospital; visiting two convalescent

hospitals on a regular basis; taking senior citizens shopping, to church and for medical appointments; hosting senior citizens at a free lunch; and stressing the activities of the Search and Rescue Team in Ontario.

As president, Mrs. Gilbert Howard led the women of this philanthropic organization in these community service projects during the past year. Serving with her were: the Mmes. Elmer Johnson, first vice president; Stanley Acres, second vice president; Warren Evans, third vice president; Homer Wilson, recording secretary; Donald Hardy, corresponding secretary; Edwin Murray, treasurer; and Robert Vader, publicity chairman.

The club strives for the advancement of all lines of general culture, promotion of the best interests of the community and participation in programs and activities of the district, state and general federation levels of

women's clubs.

In the current club season, the Rancho Cucamonga women will be helping battered wives, children and the elderly; will promote health programs and have cardio-pulmonary resuscitation classes for members; continue work in community environmental action and beautification, scholarships and consumer concerns; helping youths and teen-agers in Rancho Cucamonga; offering visual aids to the schools; and working with the SACH Gift Shop, Meals on Wheels and senior citizens.

The club donated a total of \$1,286.18 to various projects including the Chaffey College Chamber Singers, \$200; Coins for Coral, \$75; Pines Plantation, \$68; WeTIP, \$25; West End Boys Clubs, \$100; Santa Claus Inc., \$109.89; Head Start, \$25; Juniors Angel Tree \$25 plus 30 gifts; Guide Dogs of the Desert, \$25; scholarships, \$300; Search and Rescue in Ontario, \$200; and miscellaneous, \$133.29.

Altrusa Club aids the handicapped

The Walk for the Handicapped is the major project each year for the Ontario-Upland Altrusa Club.

There are 22 members who work to set up the annual "walk" which attracts hundreds of young and old and raises a major portion of the club's funds.

Members distribute the funds between the Cypress Orthopedic Unit, Linda Vista Resource Specialist Program, Ontario High School special education, Brass Ring (horseback riding program for the dis-

abled), Crisis Hot Line, Pomona Valley Unit, Recording for the Blind Inc., Upland Recreation Department, Upland Resource Specialist Program, House of Ruth, individual sponsored in the Special Olympics, Valley Vista High School scholarship, Elderberry School Special Education, Chaffey College book scholarship, Ontario High School scholarship, West End Child Development Center and Ontario-Montclair Student Services.

For the past year when \$4,922.56 was raised by the Altrusa Club, Carolyn Tarris was president. Assisting her were: Louise McCullough, vice president; Marilyn Philipp, secretary; Judy Grayson, treasurer; and Becky Roberts, publicity.

Major events ahead in 1980-81 include the Walk for the Handicapped on Nov. 15, wine-tasting fund raiser on Dec. 6, art auction fund raiser on Feb. 8 and a Day at the Races fund raiser on March 21.

Aside from their other projects, the members repair toys for Santa Claus Inc. and ring the bell for the Salvation Army's Christmas fund drive.

Menettes support projects

The Ontario Y's Menettes is a service organization with 20 members devoted to giving service to the West End YMCA in Ontario.

Officers are the Mmes. Clinton Bryant, president; Paul Clarke, vice president; Nathan Worsley, secretary and publicity chairman; and Charles Smith, treasurer.

During the year, the group provides camperships for youngsters, serves the Y's Men dinners once a month and is involved in YMCA service projects.

Heloise's Hints

When I had my leg in a cast, the weather turned cold. So I took a pair of pantyhose and cut the foot off one.

I very carefully pulled all of the cut leg of the pantyhose up past the top of the cast, tucking its cut end inside the top of the cast as far as I could.

Wow! Two warm legs instead of one!

When I went to the orthopedist to have the cast removed, he asked, "What have we here?" thinking maybe he had put the cast over the pantyhose.

He laughed and said it was a good enough idea to pass on to his next cast-wearing victim. Cheers! — Frenchy.

Never underestimate the power of a "desperate" female, right? — Hugs, Heloise

Rancho Cucamonga group

New auxiliary works for Elks Club

A new service club in the area is the Rancho Cucamonga Emblem Club 520, a non-profit charitable organization formed six months ago as an auxiliary to the Rancho Cucamonga Elks Club, 2570.

To date, the 74 members have collected store coupons and sent them to the Spastic Children's Foundation and eyeglasses that have been sent to the Foundation for the Junior Blind.

The women challenged the RC Elks to a charity softball game and proceeds were given to the cancer fund and cerebral palsy. The Emblem Club also donated four trees for a city park in honor of Arbor Day

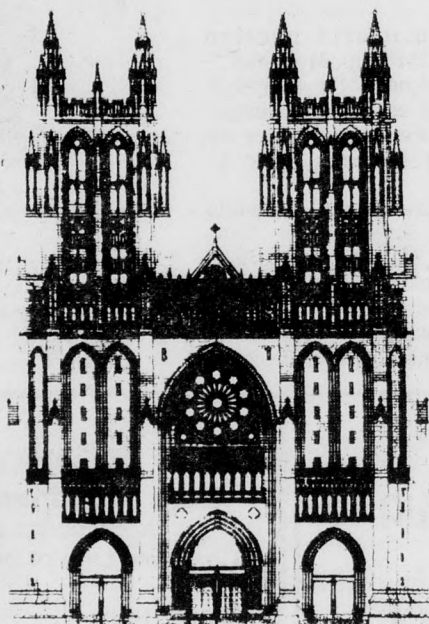

and gave an eagle to the Elks Club that was placed on top of the flag pole dedicated on Flag Day.

A family polka dance was held in September, and a handicapped children's

party is scheduled for November.

Club accomplishes civic projects

The 21 members of the Montclair Vista Woman's Club gave 3,895 hours in community service and donated over \$1,000 in money and valuables to various projects during the past club year.

"To advance education, philanthropic and civic interest of the community" is the stated purpose of this service club that has been led by Lynn Mosley as president. Serving with her in the 1979-80 club year were Margaret Boles, vice president; Margaret Carroll, secretary; and Dee Espinoza, treasurer.

Civic projects accomplished during the past year included: conducting a Christmas door and window decorating contest, donating over 100 plants for city beautification, working with the Montclair Chamber of Commerce on the "Montclair Pride Program," serving on the community action committee, helping plan the Montclair City's 24th Birthday Ball and providing decorations and working as officials at the door for that festivity.

As educational programs, members helped reorganize the

"Friends of the Library" in Montclair, donated 100 books for a book sale to raise library funds; co-hosted a party for a retiring librarian, helped serve a luncheon for a symposium on child abuse at the Montclair Firehouse, supported Little League teams, soccer teams and appeared before the city council over dangerous crosswalks.

A Halloween party and "spook house" were staged to benefit the club's beautification and community improvement projects; funds were raised at the Montclair Plaza Charity Bazaar to go to two senior citizens, Christmas baskets, the Salvation Army and Jerry Pettis Veterans Administration Hospital patients.

The club's drama section production, "Love-in Montclair," was videotaped and later viewed as an educational learning technique and then shown as a fund-raiser for the club with proceeds going to scholarships.

The Montclair Vista Woman's Club actively supports two local convalescent homes with time, service and money by providing monthly birthday cakes, visiting patients at Christmas with treats and cheer and serving as drivers for

Lynn Mosley

patients visiting homes or churches. Members also work with Meals on Wheels, the Mothers March of Dimes and the American Cancer Society.

Lioness group supports conservation of sight

Martha Mason

Community service and sight conservation are the two major goals of The Ontario Host Lioness Club, a service organization of 40 women headed by Martha Mason as president in the 1979-80 year.

Other officers were Wanda Hilton, vice president; Terry Watson, secretary; Debbie Keser, treasurer; and Gloria McGinnis, publicity chairman.

Proceeds from fund-raising events during the past club year were distributed as follows: \$1,000 to Ontario Firefighters Paramedics; \$130 to Donrey Public Foundation Inc. Send-a-Kid-to-Camp Fund; \$35 Lions Youth Ex-

change Students; \$50 service for the blind; \$240, City of Hope; \$50, Bonnie Warner Olympic Fund; \$300, Lions Club Sight and Hearing Mobile; \$100, Guide Dogs of the Desert; and \$50, school supplies for Ensenada Orphanage and Primary School.

During the 1980-81 season, the Lioness Club will continue last year's projects and raise funds through various means such as a Christmas boutique, flea markets, parties, an Otoberfest and a bunco party.

The women also will assist in the Lions White Cane Days.

Montclair-Ontario Juniors

7 active women donate time

Bringing numerous service projects to both Ontario and Montclair are the seven members of the Montclair-Ontario Junior Women's Club, a service group of young women.

The members, all who work or attend school full or part time, still managed to give 1,021 volunteer during the past club year in community service. This averages out to about 146 hours a year per member.

Some of those projects directed by Jackie Zobrist, president, were compiling

and updating a community resource list, working with the Montclair Chamber of Commerce on the "Pride Program," assisting Friends Outside (a group for families of prison inmates), forming a coordinating council and helping the city of Montclair celebrate its birthday.

Other projects listed under citizens concerns include helping with the dedication of the new Ontario Civic Center and

sponsoring Meet Your Candidate forums.

As cultural enrichment programs, the Juniors donated money to Pennies for Art and sponsored a dance recital and puppet show. In the educational field, the club worked closely with the Montclair Public Library by reorganizing the Friends of the Library, hosting an open house for the retiring librarian and collecting books for a book sale.

Meals on Wheels, a needy family at Christmastime, Montclair Manor Convalescent Hospital,

Santa Claus Inc., Senior Citizens, House of Ruth and a community Easter egg hunt were the "family-living" projects this past year for the Juniors.

As a health project, the Montclair-Ontario Juniors always are actively involved in the March of Dimes, working both on the Walk-a-Thon and on the Mothers' March. Other health projects are the TB Mobile Unit and the American National Red Cross.

Coupons are saved and given to worthy causes and funds were donated to Jaws

for Life.

Officers serving with Mrs. Zobrist in the 1979-80 year were Rachel Riley, vice president; Carol Diess, secretary; Darlene Edwards, treasurer; and Sue Yoakum, publicity chairman.

In the current club year, the Juniors plan to hold an art auction to raise money for an art scholarship, hostess and sponsor a dance recital and puppet show, organize a puppet show on safety and assist Friends Outside, the Montclair Public Library, Meals on Wheels, Santa

Jackie Zobrist

Claus Inc., Senior Citizens, House of Ruth, March of Dimes and save newspapers to raise money for Pennies for Pines.

Children benefit

League strives to enrich lives

Throughout the club season, the 63 members of Assistance League of Upland strive "to enrich the lives of children in our community through volunteer effort and contributions."

To that effort, members spent 3,629 hours and \$16,000 on two special projects during the 1979-80 year.

Those projects are the San Antonio Community Hospital Dental Center in Upland and the Cucamonga Girls Club.

A community-wide volunteer effort, the dental center brings dental care to needy children and a dental health education program to children of the West End. Forty-five league members volunteered almost 2,000 hours and \$3,000 was given to the center's operation cost during the 1979-80 season.

The bulk of the funds raised by the league — \$13,000 — went to the Girls Club, a long-term activity aimed at improving and influencing the lives of young girls in the Cucamonga School District. Members share individual skills of crafts, cooking, sewing, etc., with Girls Club members and more than 70 girls from the third through eighth grades taking part this past year. League members spent 874½ hours.

Another community service provided by Assistance League is the preparatory courses for the Scholastic Aptitude Tests for high school students in the area.

In addition, during the holiday season, league

Mrs. Glenn L. Fisher

provisionals assisted with the Santa Claus Inc. Christmas Tea and contributions were made to the Christmas basket funds of the Foothill Council PTA.

Mrs. Glenn L. Fisher was president of the Upland Chapter of National Assistance League during the 1979-80 term. Serving with her were: the Mmes. Philip Savage, vice president; James R. Osborne, secretary; James F. Garliepp Jr., treasurer; and Gerald A. Park, publicity chairman.

Special fund-raising events are held each year with proceeds going into the special philanthropic projects. The Patroness Tea was held last week and other dates are Dec. 14 for the Christmas Tree Brunch and April 6, 1981, for the fashion show. A round robin bridge is held year-

the labor market, DeAnza Junior High Preschool reading program, Museum of the Chaffey Communities and the Pomona Valley-West End Visiting Nurse Association.

During the past year, the Zonta members gave 255 volunteer hours as they staffed the Gift Shop at San

Antonio Community Hospital one night a month, did volunteer work at Santa Claus Inc., assisted at the San Bernardino Health Department in giving flu shots to senior citizens, assisted at the Senior Citizens' Health Fair, sold tickets to support the Upland paramedics, gave three scholarships to

women attending Chaffey College, and gave financial gifts to Meals on Wheels, Santa Claus Inc., De Anza Preschool Library, VNA, West End Boys' Clubs and the Museum of the Chaffey Communities.

Members serve the Rains House

Las Guias is a relatively new group in the community and was organized as an auxiliary to Casa de Rancho Cucamonga, the historic Rains House in Cucamonga. The membership is limited to 30 women, and

between October of 1979 and June of 1980, they gave 1,377 volunteer hours. They served as docents for special tours organized for school groups, provided support activities for the Rains House and acted as hostesses during the day the house was open to the public.

All funds raised by Las Guias are donated to the Casa de Rancho Cucamonga Historical Society for the upkeep and further restoration of the historic site.

The major fund-raiser for 1980 was a fiesta in May, and a holiday boutique is planned for Nov. 8.

President of Las Guias is Dorothy Schmidt, and serving with her are: Marge Stamm, vice president; Sharon Garrett, secretary; Linda Kesig, treasurer; and Ann Olander, publicity chairman.

Providing the \$25,000 to install a Tel-Med system at San Antonio Community Hospital in Upland and staffing that telephone service six days a week were the major accomplishments this past year of the San Antonio Community Hospital Auxiliary.

Through tape-recorded messages, Tel-Med offers messages on health problems, proper health care and safety. People can simply call 946-2828 and ask the volunteer at the other end to play a certain tape

either by number or title, for the free information.

The auxiliary members staff this service from 10 a.m. to 7 p.m. Mondays through Fridays and from 10 a.m. to 4 p.m. on Saturdays.

This is just one of the volunteer services auxiliary members provide at the hospital, where they staff the Gift Shop, assist with the reception desk and conduct tours. In fact, the 563 members gave a total of 17,059 volunteer hours in the 1979-80 year.

In addition to maternity

and children's tours, auxiliary volunteers work in the hospital's mental health unit, assist with voter registration and also help with patient voting on election days.

Besides the money for the installation of the Tel-Med system, the auxiliary gave \$11,516.40 to the hospital to be used to purchase a fetal monitor for the nursery.

To raise funds for these projects, the auxiliary holds special events throughout the year as well as operates the Gift Shop at the hospital.

Proceeds from last fall's home tour went to the Tel-Med program as did proceeds from the Trump Brunch and Silver Tea.

Guiding the auxiliary in these accomplishments the past two years was Mrs. Robert Williamson as president. Serving with her were: the Mmes. Abel R. Ellingson, first vice president; Isaac Funk, second vice president; George Crum and Donald White, third vice presidents; Wilfred MacSween, secretary; and Eric Hasenbeck and George

Vinnedge, publicity chairman. Ada Cooper has been treasurer.

A mastectomy fashion show and brunch launched this season's activities, which also will include a home tour on Nov. 10, the Silver Tea, the Employees Tea, the Trump Brunch and a flower arrangement program.

Featured speaker in November at a special meeting at Griswold's in Claremont will be Mrs. Fred MacMurray (June Haver), who will talk on "Battered Children."

Barbecue planned in future

Soroptimist International of Montclair has 15 members who perform community service.

Alice Philbrick was president during the past year. Serving with her were: Donna James, vice president; Gerri Sawyer, secretary; Rosalie Keiser, treasurer; and Betty May, publicity.

The projects for the year were the Montclair Jaws of Life, Meals on Wheels, scholarships for Montclair High School students, Women Helping Women award, Training Awards Program (TAP), and supporting the "S" Club at Montclair High.

Coming up for the year ahead will be a barbecue and auction, fashion show, bosses' luncheons and a community bazaar.

Transcribers for the blind

The Pomona Valley Transcribers Guild has 25 members who work to serve the needs of all visually handicapped persons through braille, tape recordings or large print.

The guild hosted the California convention and conference for the California Transcribers and Educators of the Visually Handicapped at Griswold's in Claremont. The three-day event attracted

hundreds of individuals interested in aid to those with sight problems. Jack Smith, noted columnist and author, was the keynote speaker for the banquet. He was presented with a brailled copy of his book, "Spend All Your Kisses, Mr. Smith."

For another year, the guild sponsored the Aids to the Visually Handicapped Center at Colony Park, Ontario, along with Chaffey College. This group meets

each Friday for crafts, lunch and speakers.

During the past year, two volunteers learned braille and earning graduation certificates were Jean Tulley and Lucy Moore.

Officers of the guild were Mrs. Bill Plaster as president assisted by: the Mmes. Ronald Coonrad, vice president; Charles Brooks, secretary; James Shumway, treasurer; and William Kelber, publicity chairman.

OCH Auxiliary gives \$10,000 to the hospital

Providing service to the community and to the patients at Ontario Community Hospital are the goals of the 73 members of Ontario Community Hospital Auxiliary.

The 42 active members spent a total of 10,665 hours during the past club year fulfilling those goals and

also raised nearly \$10,000 for the hospital.

Auxiliary volunteers man the information desk at the hospital, staff the Gift Shop, work in the emergency room, make up admittance packets, send out blood replacement letters and make special tray favors.

Members did all of the

registration of people attending the Health Fair at the Montclair Plaza as well as the one at Fed-Mart and did the follow-up work on the fairs. They assisted at the Blood Bank of San Bernardino and Riverside counties and the local immunization clinic.

Of the funds given to the hospital, they were broken down this way: \$2,000 to continue the cardiopulmonary resuscitation program, which is free to anyone requesting to take it; \$2,000 to improve the lobby display at the hospital; \$3,500 for colored televisions on Wing Five; \$1,000 for teaching aids for patient education; and \$1,000 for establishing a scholarship fund for nurses to further their education. In addition, \$170 was spent to replant the large urns in the hospital lobby.

Also during the 1979-80 year, auxiliary members decorated the Christmas tree in the hospital lobby, helped with the Christmas party for children of hospital employees, hosted the annual tea for hospital employees, helped with the open house and tours for the public of the new intensive care center and coronary care unit at the hospital and helped with tours during hospital week.

Leading the women in all these endeavors as president was Lois N. Lansdale. Serving with her were Hazel Fentiman, vice president; Dorothy Meyers, secretary; Margaret

Education is society byword

Education is the byword of the Epsilon Sigma Chapter of Delta Kappa Gamma Society, which unites women educators, who sponsor and support educational legislation.

Muriel Desilets served as president of the local chapter for two years, during which time, the 35 members heard various educators speak. Among speakers heard by the group were Dr. Roy C. Hill, superintendent of public education for San Bernardino County; Duane Stiff, superintendent of schools for Chino; Prof. Andrew Berner, Chaffey and La Verne colleges; and Dorothy Walters, founder of Hospitality Hostess.

Serving with Mrs. Desilets were: Ruth Thorne, first vice president; Carol Bremer, second vice president; Helen Coonrod, recording secretary; Gretchen McCombs, corresponding secretary; Jessie Ingram, treasurer; and Laura Webb, publicity chairman.

During the past two years, chapter members who have given distinctive service to education were honored, educational legislation was supported and scholarships were given to aid outstanding women educators.

This month, will find members hearing speakers from the Claremont League of Women Voters. Doris Beaumont, Chi State vice president, will speak at the chapter's initiation in May.

Getting the new year off to a good start in January,

NEW YORK (UPI) — The Motorcycle Safety Foundation wants states to launch a safety education campaign to help increase the use of helmets by riders. The foundation's president says the organization thinks voluntary use is preferable to the "pass a law and every thing will be all right" philosophy. Dr. Charles H. Hartman said a study by the University of Illinois showed 55.3 percent of the riders interviewed wore helmets always or most of the time.

Children's Home Society group

Casa Alegre Auxiliary works to preserve family, help kids

Working to preserve the family and help children are the 14 members of the local Casa Alegre Auxiliary of the Children's Home Society of California.

As members of a support group for CHS, a private organization designed to help children through adoption, foster care, respite care and counseling, members are involved in interpreting the services of CHS and showing films to local schools.

Among the films shown to local students are "Teen-Age Father," "Growing Up Together" and "I'm 17, Pregnant and Don't Know What to Do."

To raise funds for CHS,

the auxiliary co-sponsors a "Showcase House" each year. Local interior designers redecorate selected rooms of a local residence, which then is opened to the public for tours for about a two-week period.

The Casa Alegre Auxiliary's share of the proceeds from this year's "Showcase" were over \$5,000. Other fund-raising projects are a "Day at the Races" and Christmas card sales.

Catherine Hancock has led the Casa Alegre Auxiliary this past club year and now is serving as vice president of the Riverside-San Bernardino

Council of CHS. Serving with her in the local group during the 1979-80 season were Jean Windhovel, vice president; Pat McAleer, secretary and publicity chairman; and Nelda Hesseltine, treasurer.

"To inform the public of CHS's services, interpret those services and raise funds" are the goals of the auxiliary, which will hold a "Day at the Races" on Nov. 2.

Each June, the auxiliary has a baby shower with the gifts being given to foster mothers. Donations of linens and kitchen articles also are made to "Turning Point," the CHS home for runaways in Palm Desert.

Members raised money to support the P.E.O. projects. They sponsored a Japanese student at the Southern California School of Theology, Claremont, and two girls in college through the educational fund.

In this coming year, the members will continue support of projects and make a trip to the P.E.O. Thrift Shop in Pasadena. They will hold a guest day in January, and the May meeting will be at the P.E.O. Home in Alhambra.

Meetings, the second and fourth Wednesdays of each month, will be on the theme of the year, "Whatsoever Things Are Beautiful."

Education gets major billing

Philanthropy and education are the major interests of the 41 members belonging to Chapter QU P.E.O. Sisterhood.

Officers for the past year were Dorothy Ruggles, president; Elsie Steck, vice president; Jean Grace, secretary; Dorothy Stevenson, treasurer; and Pearl Beeman, publicity chairman.

The purpose of the sisterhood is general improvement for its

GOP Women are active on the campaign trail

The 290 members of Chaffey Community Republican Women, Federated, are actively on the campaign trail as the general elections loom in the near future.

The women are registering voters and distributing materials from the Upland GOP headquarters, which is maintained and manned on a year-round basis by the women's group.

All finances raised by the women — such as those from the recent "Elephant's Fashion Frolic" — are used to pay the rent and utility bills for the headquarters and to purchase supplies.

Serving in this calendar year as president of this political and service organization is Mrs. Jack W. Pierce. Other current officers are Mrs. Clifford Sumrall, first vice president; Mrs. Ron Davis, second vice president; Nancy McCracken, recording secretary; Mrs. Albert Holmer, corresponding secretary; Catherine Hancock, treasurer; and Mrs. Walter E. Stewart, publicity chairman.

Before the primary election, the GOP women provided candidate community forums and mounted an extensive voter-register drive throughout the West End.

The group is working on a speakers' development and community relations program and plans a "Day at the Races" this coming spring to raise additional funds.

"To educate and motivate members to initiate effective political action, provide the opportunities for citizens to register to vote, thus assisting people to exercise their

Roles in community

Leading women represent firms

The Executive Women International, Pomona Valley Chapter, is a leading business organization in which membership is held by the firm with the top businesswoman representing it in membership.

The EWI gives businesswomen the opportunity to represent their firms and the roles they play in the overall structure of their community.

The Pomona Valley Chapter has 49 firms as members with six sustaining members. Heading the group for the 1980 year are: Evelyn Marschalk, president; Louise Marshall, vice president; Trudy Harein,

secretary; Dianne Snow, treasurer; and Mrs. Marshall as publicity chairman.

During the past year, the Business Career Development Program was conducted in a number of area high schools with excellent entries. The local winner, Laurie Christie, was awarded a plaque from Sears and EWI and a check for \$200 from the chapter.

Firm nights were presented at Griswold's, Elaine's Interiors and Frito-Lay. Seven members attended the annual EWI meeting in Kansas City, Mo., in May of this year.

In the line of philanthropy, \$400 was given to a chapter

Evelyn Marschalk

representative for her continuing education.

For the coming year, there will be the continuation of the Business Career Development Program. The annual EWI meeting will be held in Calgary, Canada and executive's night and firm night programs will be held.

Career Women

Oct. 22 during National Business Women's Week.

Teri Dimon, president, said, "Our goal is to offer dynamic educational programs to all women with particular emphasis this first year on energy conservation, finance and economy and mental and physical health."

"Our first project will be an individual development seminar to help promote our new club in the area and to increase membership," Mrs. Dimon continued.

The current membership includes women from 12 different cities, most of whom live and work in the West End.

Also serving the club until May 1981 are: Mary Hill, president-elect; Mary Lou Barr, vice president; Denise Morris, recording secretary; Judy Knott, corresponding secretary; and Margene Chrisman, treasurer.

Purpose of the new Foothill-Valley group is the same as that of all other

BPWs — to elevate the standards of and promote women in business and the professions; to promote the interests of business and professional women; to bring about a spirit of cooperation among business and professional women of the United States; and to extend opportunities to business and professional women through education along lines of industrial, scientific and vocational activities.

High standards

The National Secretaries Association (International) is an educational group of 34 members whose purpose is to elevate the standards of the secretarial profession by uniting for their mutual benefit persons who are or have been engaged in secretarial work.

Southwest District Conference.

Major events planned for this year will be to increase membership, present the scholarship, celebrate the Pomona Chapter's 25th anniversary in December, conduct educational seminar and plan a Christmas boutique.

Members also will help increase membership in the Future Secretaries Association for the high school level student taking secretarial courses and preparing to continue those studies in college. The Pomona Chapter sponsors the North View High Chapter of the FSA in Covina.

Officers for the past year have been: Ann McGlade, president; Eunice Zollner, vice president; Cleo Lamp, recording secretary; Edith Johnson, corresponding secretary; and Wanda Jones, publicity chairman.

Men can now join the BPWs

OMAHA, Neb. (AP) — The National Federation of Business and Professional Women's Clubs has amended its bylaws to admit men to membership in the 61-year-old organization.

The BPW, holding its annual convention in Omaha, earlier passed a resolution supporting the inclusion of women in Selective Service registration. Another official statement from the organization blasted the Republican party for excluding support for the Equal Rights Amendment from its platform.

One plank adopted by the BPW into its legislative platform calls for "equal treatment of women and men, regardless of marital status, in all phases of economic life with special emphasis on reforming the income tax system and elimination of discrimination in insurance."

More than 3,500 women attended the convention that ended Thursday.

Serving industry is WICs purpose

Anne Thornburg was president of the Pomona Valley Chapter 140, National Association of Women in Construction, for the 1979-80 club year.

The 43 members are dedicated to professional service and education with the purpose of being united as construction women to serve the industry and the public.

Serving with Thornburg for the past year were: Peggy Rhoades, president-

elect; Carol Taylor, vice president and publicity chairman; Deloris Whelchel, secretary; and Patricia Albert, treasurer.

During that club season, the WIC chapter donated to Casa Colina Hospital of Rehabilitative Medicine in Pomona, sponsored a customer service/public relations seminar and awarded two scholarships to Cal Poly Pomona women students.

Baptists help Santa

Helping missions and providing service are the goals of the 69 members of the American Baptist Women of the First Baptist Church of Ontario.

Mrs. Harmon Hawblitzel is president of this group of church women. Other officers are Mrs. Ralph J. Brown, vice president and

publicity chairman; Lillian Nesbitt, secretary; and Mrs. Rex Beauchamp, treasurer.

The women also work at Santa Claus Inc., man the telephones for Phone Alert League and staff the Hunger office.

Heloise's Hints

When putting items in the freezer, make a list of what and how much.

Tape a zippered plastic bag upside down on the inside of the freezer door and put the list in the bag.

This makes the list easy to find and remove for adding new items, or marking off items used.

I find this a real time-saver. Love your column. — Mrs. Paul Markle

DEAR HELOISE: I have three children, ages 5, 4 and 3. They always are getting mixed up about which shoe goes on which foot. More often than not the shoes end up on the wrong feet.

I solved the problem by marking the right shoe on the left side and the left shoe on the right side, so that the marks line up when the shoes are on properly.

I use a dark permanent marker on light-soled shoes and cut a tiny notch in dark soles and dress shoe soles.

Now when I ask if their shoes are on the right feet, I get a very confident smile and a "Yes, Mom," as they

look down at their shoes. — Mrs. R.J.

DEAR HELOISE: Discarded toothbrushes are very handy for innumerable uses. However, I have discovered that percolator brushes work better in some instances.

They will bend and go around corners where a toothbrush won't go. Besides, being longer they clean places that need a long, narrow brush.

I keep one in the kitchen and another in the bathroom so they will always be handy. — Edna Stobbs

UNIQUE WOMEN'S FITNESS STUDIO PROGRAM HELPS YOU LOOK AND FEEL BETTER

By HELEN EISWORTH

"We live in a stress filled society and women frequently take the brunt of it. Too often we women try to be everything to everyone - our husbands, children, friends, bosses, acquaintances and community groups. No wonder so many women complain of constant fatigue; they're forgetting the importance of devoting some time to keeping themselves physically and mentally fit," said Gail Wenz, new owner-operator of the Women's Fitness Studio in Montclair.

Gail, whose own varied life includes serving as Associate Physical Director of the West End YMCA and mothering three children as well as leading classes at the Women's Fitness Studio five days a week, continued, "Vigorous physical exercise is my favorite therapy for working out the stress and tension of the day. Not only does it keep you looking trim and slim, it conditions your cardiovascular system and gives you extra energy."

For the past four years, the Women's Fitness Studio, located in Suite 105 of the Monte Vista Professional Center directly south of the San Bernardino Freeway at 9625 Monte Vista Avenue in Montclair, has offered a unique program geared to the individual needs of its all-women clientele. Before assuming ownership of the Studio, Gail taught classes there for two years. She is continuing the programs which have helped countless West End residents feel and look better while adding some of her own.

"This is not a figure salon or health spa with machines so common in this area," Gail stressed. "Rather we teach women to exercise using their own bodies. And we instruct them in good nutrition, behavior modification and relaxation techniques."

How does the program work? One hour and 15 minute classes are offered at 9:00 a.m. on Monday, Wednesday & Friday mornings; at 4:30 & 6:00 p.m. on Mondays; and Wednesdays at 6:00 p.m.; and 7:30 p.m. on Tuesdays and Thursdays.

Participants, women ranging in age from 15 to 70, arrive clad in shorts and shirts or leotards. Sessions are limited to no more than 20 women so that each can receive individual attention.

After some warm up exercises led by Gail, the group begins jogging around the large, air-conditioned studio. Students agree it's much more fun to run on the soft, thick carpet keeping time to stereo music than to jog on city streets or in parks.

"Running is excellent for cardiovascular conditioning," Gail explained.

Next Gail leads the class in a series of exercises for specific body areas. Still using a musical background, the women do rocking sit-ups, kick outs, rock backs, sit backs, leg lifts, paddle kicks, leg circles, push ups, reach ups and many others. Often they watch themselves in the full length mirror which covers an entire wall of the tastefully decorated Studio.

Sometime during the exercise session, Gail calls a halt to the vigorous activity and gives the class instruction in behavior modification techniques, proper diet and nutrition.

"We talk about everything from how after dinner snacks add more pounds than any other meal to how exercise actually cuts down appetites," explained Gail, who holds certificates in Cardiopulmonary Resuscitation, Cardiovascular Conditioning, Slim Living, Aerobic Dance, Movement Education, Advanced Adult Fitness Leadership and Cardiac Therapy Fitness.

More exercises follow the instruction period and, about 15 minutes before the session ends, Gail has her students spread beach towels out on the carpet and lie down. While they're relaxing, Gail plays soft music, talks or reads to them, encouraging them to "let go."

New Programs

One of Gail's new programs is an aerobic dance class offered at 4:30 p.m. on Tuesdays and Thursdays.

"Aerobic dance combines exercise with dance routines to achieve the optimum in cardiovascular conditioning," Gail said. "We warm up before going into the vigorous dance aerobics which improve physical coordination as an added benefit." Nutrition advice and relaxation techniques are included in this course, too.

Beginning the week of January 12, 1981, Gail will add still another unique program to the Studio's curriculum.

"We're planning a prenatal - postpartum class for expectant and new mothers. The class will stress the changes during the entire maternity cycle. Exercises will be tailored to ease the burdens of pregnancy and the postpartum rehabilitation period for the average under-exercised woman. We'll concentrate on the role of key muscles involved in pregnancy, labor and postpartum so that women can develop their bodies' full potential with genuine understanding. Additional emphasis will be placed on postpartum restoration including backache problems, abdominal wall weakness and Cae-

sarean rehabilitation to prevent the post-baby blues," Gail said.

In keeping with the Women's Fitness Studio's long time policy, Gail does not accept members for longer than a six-month period at a time.

"Although I believe women should exercise several times a week to stay physically fit, I don't feel it's realistic to ask them to make a commitment for more than six months. We do not use contracts, either, and if someone has to miss a session for a legitimate reason, we let her come in at another time," Gail stressed.

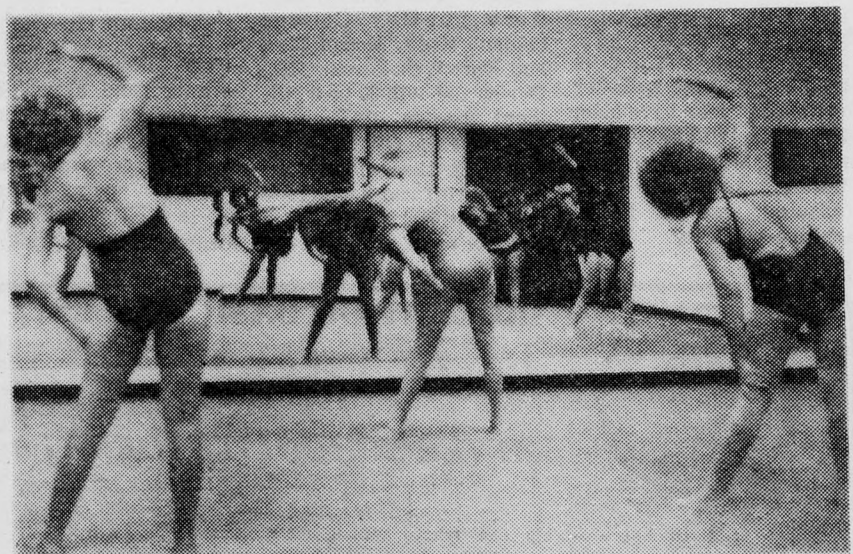

So that interested women may see for themselves what the Women's Fitness Studio has to offer, Gail invites you to attend one class free of charge. To do so, please phone 714-624-9988 or 714-981-9387. Since class sizes are strictly limited, reservations must be made in advance.

Holly Dodson is being weighed by Gail, who usually weighs in the members weekly and measures them every six weeks.

Gail, obviously enjoying her workout along with the class, leads members in a waist twist exercise.

Gail Wenz, center, leads a Women's Fitness Studio class in their vigorous warmup routine to lively music.

In place of the ball this coming season, the guild will stage an "Italian Country Fair" in June 1981 at the Guasti Mansion, Guasti. Autumn and spring opera previews will be held at unusual local homes.

Women from about 25 local churches work together in a combined effort through the Church Women United of Ontario Communities, a religious organization devoted to uniting Catholic, Protestant and Orthodox women for spiritual enrichment and community service.

Lois Hanna is serving as

current president of this organization. Other officers are: Doris Gilmore and Dona Benedict, vice presidents; Shirley White, secretary; Evelyn Buck, treasurer; Marge Lorimor, publicity chairman; and Doris Erickson, celebrations chairperson.

Three major observances

emphasized each year by Church Women United are the World Day of Prayer in March, May Fellowship Day in May and World Community Day in November.

At these celebrations, women gather together for worship and education in community and world

concerns. This past June, women from the United States and 50 foreign countries met at USC in Los Angeles for the Annual Ecumenical Assembly.

In the coming club year, the Church Women United will observe the three special days mentioned above and also will meet bi-

monthly with key women from participating churches.

Community projects supported by Church Women United locally include the Salvation Army, Friends Outside (for families of prison inmates) and Released Time Christian Education.

Bethany Baptists enjoy varied monthly sessions

A full calendar of monthly meetings occupies the 25 members of the American Baptist Women of Bethany Baptist Church of Montclair, a religious organization.

Purpose of the group is "to unite all women of the church into a fellowship that will help each other to grow in personal devotion to Jesus Christ as Lord and Savior and in commitment to the mission of His Church."

Carlene Benedict is coordinator of this women's group. Serving with her have been Wendy Woods, vice president of missions; Evelyn Dyer, secretary; Sally Lloyd, treasurer; and Mary McGannon, publicity chairman.

The year started out for the women with a mother-daughter banquet and a program on child abuse. Next were a men's night featuring a couple from REAP Inc. of Upland and an all-church potluck

Carlene Benedict

featuring Pat and Craig Spaulding, who were leaving for Papua, New Guinea, as Wycliffe Bible translators.

Rounding out spring activities were a birthday celebration with speaker

David Tsang, Chinese pastor from Pomona First Baptist Church; a women's retreat at Arrowhead Springs featuring Marilyn Meberg, a professor at Biola College; and a candlelight installation followed by a mother-daughter banquet.

"Christian Living Today" was the topic Diana Stewart when she spoke this summer to group at a patio luncheon. For the men's night the Rev. Paul and Mattie Ryan shared some of their experiences from 10 years as missionaries in Hong Kong.

Funds for special projects were raised in September at a plant party. Those projects include finishing a permanent residence for the new manager of the American Baptist Camp and Indian Center in Tonto Rim, Ariz.; bringing the family of a Fuller Seminary student to America from Zaire; and collecting good used clothing all year round for REAP.
